

HOW DOES KIDS CLUB WORK?

Kids Club opens everyday and it is included for kids between 4 to 12 years.

The day is divided on three shifts to use the facilities with a maximum capacity of 10 kids.

- First shift from 9:15am to 10:45am
- Second shift from 11am to 12:45pm
- Lunch Break from 2:00pm to 3:00pm
- Third shift from 3:00pm to 4:45pm

After each shift, high contact areas will be disinfected, and the Kids Club will be refreshed for the arrival of the next shift. Reservations are not accepted, the kids that arrive first will be able to join.

In case the little ones want to stay for another shift, it will be subject to availability, since the maximum is 10 children and we want everyone to have the opportunity to participate.
